VISION

We, at Security & Firearms Training Academy (SAFTA), have seen the changes in the private security and private investigation professions first hand over the past 40 plus years. We have seen incredible improvements in the areas of regulation, professionalism and accountability. We see trends that convince us the future of this industry depends on meeting challenges not even imaginable 40 years ago. Private Security Officers and Investigators are now routinely exposed to complex and dangerous situations. These new considerations have not replaced the old concerns for physical plant protection and cargo security; they have added new dimensions and a much wider range of knowledge necessary to carry out the day to day responsibilities of the Private Security Officer or Private Investigator. We see a need to constantly monitor and continually upgrade the quality of training for these professionals. We are always seeking new information techniques to add to, and modify the skills of our students and graduates. Our vision and our commitment is to provide the information, skills and training necessary, as we do our part to lead our industry to meet those challenges.

MISSION

It is our mission to provide the best and most comprehensive training available. Our students will become equipped with the knowledge and training necessary to succeed in the private security and related industries. Further, they will be given the most up to date information and technique available through our continuing research and updating of our training materials. We will continue to serve our student base with required and optional periodic update training and education to continue throughout their career and life. We shall emphasize the fact that they are being trained in perishable skills that require constant practice and frequent legal and technical updates. It is our mission to become the premier training institution in the State and be recognized as a leader in preparing our students to meet the challenges in the ever changing world of private security, private investigations and use of force by private citizens.

It is our objective to remain on the cutting edge of regulations by volunteering our services as Subject Matter Experts to the Department of Consumer Affairs, Bureau of Security and Investigative Services as they generate and interpret new laws and regulations for our profession. We will participate in the process of evolving and continually professionalizing our industry and to anticipate change, develop new objective standards of practice that are identifiable and measurable while preparing educational materials and training techniques to meet the constantly evolving needs of our student clientele.

ABOUT US

Security & Firearms Training Academy, Inc., (SAFTA) is a security academy, located in North Highlands, CA, which trains and licenses individuals who are already, or wish to become security officers, private investigators, executive protection agents, and the like. This expertise is in higher demand now than ever before in light of the post 9/11 era need for security officers. Our goal is not to simply train and release, but instead join with local and regional companies, and ultimately guide our students down the path that best suits their professional goals.

SAFTA is a private institution that is approved to operate by the Bureau of Security and Investigative Services, and the Bureau for Private Postsecondary Education. Approval to operate means SAFTA compliance with state standards as set forth in the Ed. Code.

INCEPTION

SAFTA was created by Marine Corps Veterans, retired law enforcement agents, and private security veterans who felt the need to enhance Northern California's security officer training requirements as well as civilian training in the carrying of concealed firearms.

SAFTA's current faculty members have worked with the State of California Bureau of Security and Investigative Services for over 70 years, and have been instrumental in writing numerous training manuals which are still in use today.

SAFTA's promise to its clients is to train each individual with respect and to give special attention to those who require it. Each student is considered special to us and we will

SECURITY & FIREARMS TRAINING ACADEMY

always be available to current and former students as a resource, whether the need is for training, information, or professional guidance.

EVOLVING INDUSTRY

With the myriad of new laws and regulations passing through California legislation, a new approach to educating civilians and security officers is needed.

SAFTA's staff of highly trained and experienced associates bring a new concept of education to California by combining military and law enforcement into the security officer and civilian arena.

California's citizens expect members of the legislature to make sure that the laws and requirements they pass for security officers and civilians include rigid training; this is the expectation of protection. SAFTA's goal is to bring the security industry in California to a level of respect which is enjoyed by law enforcement agencies. In order to accomplish this goal SAFTA's approach incorporates not only physical training, but the moral and legal aspects of the use of deadly weapons as well as non-lethal devices as means of self-protection.

EQUIPMENT AND MATERIALS UTILIZED FOR INSTRUCTION

During the various training courses, SAFTA will utilize a host of training materials, in addition to those associated with the practical application portion of the training (listed above). Both the facility and the supplies utilized to conduct the training remain consistent.

SAFTA conducts its training in a single classroom within the Gun Range, as well as on the firing line within the Gun Range as well. For the classroom portion of the training, students are all provided with training manuals that have been bound in a 3-ring binder, which includes the necessary hand-outs and references that will be addressed throughout the course of instruction.

SAFTA instructors also use training aides such as a projector (in conjunction with a DVD player), wall mounted B-27 targets, and a large whiteboard.

STUDENT SERVICES

SAFTA will provide students with all necessary materials to complete the courses for which they have enrolled, with only a few exceptions (i.e. to obtain a CCW, the applicant must utilize their own firearm).

SAFTA's staff will also assist in any admissions concerns and will maintain records for the students during their time of enrollment as well as after their departure.

SAFTA's instructors take great pride in advising and counseling students to help them achieve their professional goals, and will also assist in placing the students in a job that suits their interests.

ACCOMMODATIONS – HOUSING

SAFTA does not have dormitory facilities under its control. SAFTA is not responsible to find or assist students finding housing arrangements. There are five hotels/motels located across the street or adjacent to SAFTA with prices ranging from \$42 to \$118 per night.

ADMISSIONS POLICY

In order to be admitted at SAFTA, the minimum level of education requirements is the ability to read, write, and follow directions. Since these skills can be learned without graduating from high school or obtaining a GED certificate, those candidates who do not

SECURITY & FIREARMS TRAINING ACADEMY

necessarily hold a diploma or certificate will still be eligible for enrollment into SAFTA's program upon obtaining a passing score on an independently administered "ability-to-benefit" examination pursuant to section 484(d) of the Higher Education Act of 1965. SAFTA may refuse admission if the "ability-to-benefit" examination and/or personal interview reveal that the student does not possess the necessary aptitude or motivation to complete the training program selected. SAFTA will accept the following ATB Tests that are listed on the BPPE website at www.bppe.ca.gov/scholls/usde_tests.pdf.

Wonderlic (WBST) – Passing Scores: Verbal = 200, Quantitative = 210.

For assistance with the ATB Test process, SAFTA staff will be available as requested or when determined it is necessary prior to signing up for a course.

Additional admission factors include:

- ❖ Proof of Citizenship or legal status (INS Card)
- ❖ 18 years of age or older
- ❖ Have no felony or violent misdemeanor convictions
- ❖ Be recommended after personal interview

EVALUATION OF PREVIOUS EDUCATION/EXPIERENCE

This academy will acquire transcripts etc. from your earlier attended courses/schools and conduct an evaluation of any previous experience in the Security and affiliated trades, and credits will be awarded if applicable. If your experience/education is more than one year old (for guard card) then you need to attend to learn the updates and current changes that have been made. Other experience will be evaluated and credit granted as deemed appropriate.

REQUIREMENTS FOR ELIGIBILITY

Temporary Permit for the security officer permit is no longer available. Applications will be submitted to the State of California and licenses will be issued after a successful background check which takes approximately 60 days. Reasons for State denial are 5150 (involuntary psychiatric hold), or convictions related to drugs, weapons or a violent crimes.

TRANSFERABILITY OF CREDITS AND CREDENTIALS EARNED AT SAFTA

SECURITY & FIREARMS TRAINING ACADEMY

Notice concerning transferability of credits and credentials earned at SAFTA.

The transferability of credits you earn at SAFTA is at the complete discretion of an institution to which you may seek to transfer. Acceptance of the degree, diploma, or certificate you earn in SAFTA is also at the complete discretion of the institution to which you may seek to transfer. If the credits or degree, diploma, or certificate that you earn at this institution are not accepted at the institution to which you seek to transfer, you may be required to repeat some or all of your coursework at that institution. For this reason you should make certain that your attendance at this institution will meet your educational goals. This may include contacting an institution to which you may seek to transfer after attending SAFTA to determine if your credits or degree, diploma or certificate will transfer.

Notice concerning transferability of credits and credentials earned at other institutions.

SAFTA does not accept any credits/hours/modules earned at any other institution. Being as that the training modules are short (as compared to typical training institutions), the ability to provide credit for prior instruction is not viable. Furthermore, due to the safety concerns associated with this specific field of study and the often sub-par training received at many other training institutions, SAFTA feels it is paramount to reinforce all training modules for any incoming student.

PLACEMENT ASSISTANCE

Security and Firearms Training Academy does not guarantee job placement. Upon successful completion of each training program, graduates receive a graduation package. The graduation package will include the following:

- ❖ Certificates of Completion
- ❖ Wallet Cards of Completion
- ❖ Listing of private and public security companies

HOLIDAY SCHEDULE

The following holidays will be observed:

- ❖ New Years Day

SECURITY & FIREARMS TRAINING ACADEMY

- ❖ Memorial Day
- ❖ Fourth of July
- ❖ Labor day
- ❖ Veterans Day
- ❖ Thanksgiving Day
- ❖ Christmas Day

CONDUCT

Students are expected to conduct themselves in a reasonable manner, reflective of the working world, and abide by school regulations. The school reserves the right to place students on probation or dismiss them from the school if necessary. In the event that a student is dismissed prior to the completion of 60 percent of the course, refunds will be dispersed on a pro rata basis. Should a student be dismissed after 60 percent completion, no refunds will be dispersed.

The following, although not all inclusive, are instances that lead to probation or dismissal:

- ❖ Theft or destruction of school or student property
- ❖ Ethics violations including but not limited to dishonesty or cheating
- ❖ Physical abuse of any person on school property
- ❖ Illegal possession of firearms or other weapons
- ❖ Intentional disruption of school activities
- ❖ Possession, use, or sale of illicit drugs or alcoholic beverages during school hours
- ❖ Violation of school regulations

All students have the right to appeal academic probation or dismissal to the Director of SAFTA. A written letter explaining reasons for the appeal is required. The Director will review all written appeals and provide the student and faculty with the decision on whether to re-admit the student. Should the Director choose to deny the appeal, the appealing student will have one final opportunity to escalate the appeal by presenting directly, in person, to the Director. Once the final decision is made by the Director, there will be no opportunities for additional appeals.

SECURITY & FIREARMS TRAINING ACADEMY

GRADING SYSTEM

An overall point average of 90 percent (90%) is required for successful completion of the training program, except in the case of Powers of Arrest of which is open book and requires a grade of 100 percent (100%). The instructor grades each student. Grades are based on a combination of test scores and practical demonstration. Students have four months from the time of enrollment to complete all phases of the training program. Assistance will be rendered to students that have a problem at the discretion of the Lead Instructor and the COO.

PAYMENT

A Letter of Authorization for payment must be received prior to the beginning of training unless other arrangements have been made. Payment in full is requested as soon as possible after beginning the course in order to process state licenses and order equipment. (State permits can average 6-8 weeks before issuance from application, this is a state operation that is out of our control). Equipment will be ordered upon receipt of payment and retained until the final week of the course. In the case of firearms qualification, students who fail to qualify initially will be allowed to re-shoot one (1) time at no additional charge. Thereafter students will be required to pay for ammunition and range fees, with an additional charge for instruction.

ATTENDANCE POLICY

Students must complete all hours as required by the State of California Bureau of Security and Investigative Services.

Any hours, or portion thereof, missed by a student, must be made up at a date specified by SAFTA. Make-up hours must be completed no later than two (2) weeks after course ends unless it is a medical reason or a family emergency. SAFTA will make best efforts to work with their students in terms of finding a time to make up the hours that is mutually acceptable.

LEAVE OF ABSENCE POLICY

- ❖ Leave of absence may be taken up to one year from the start of program for any reason.

SECURITY & FIREARMS TRAINING ACADEMY

- ❖ Fees must be paid for each completed module at the beginning of the leave of absence.
- ❖ Students must re-start training prior to the one year leave of absence.

CANCELLATION/ WITHDRAWAL POLICY

Students will have the right to withdrawal from instruction at any time for any reason.

SECURITY & FIREARMS TRAINING ACADEMY

REFUND POLICY

The student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. In the event that a student elects to withdrawal from attendance, that student will have rights to a full refund if cancellation is initiated formally as follows:

To cancel the contract for School, mail or deliver a signed and dated copy of the cancellation notice, found on page four of the enrollment agreement, to 3355 Myrtle Avenue #200 North Highlands, CA 95660. A fax or email is not acceptable.

Should a student withdrawal from the course and be eligible for a refund, the refund will be paid to the student, department, or agency that paid the course fees.

In the event that a student withdrawal prior to the completion of 60 percent of the course, refunds will be dispersed on a pro rata basis. Should a student withdrawal after 60 percent completion, no refunds will be dispersed.

STUDENT TUITION RECOVERY FUND (STRF)

The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.”

It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 2535 Capitol Oaks Drive, Suite 400, Sacramento, CA 95833, (916) 431-6959 or (888) 370-7589.

SECURITY & FIREARMS TRAINING ACADEMY

To be eligible for STRF, you must be a California resident or are enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120 day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120 day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of non-collection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

To receive a firearms permit/CCW, applicant must be at least 21 years old and have no felonies, 5150s (Involuntary psychiatric hold), or convictions related to drugs, weapons or a violent crimes. Applicant must also have acceptable vision to enable them to qualify on their practical application portion of the Firearms Exam.

To receive a Guard Card, applicant must be at least 18 years old and have no felonies, 5150s (Involuntary psychiatric hold), or convictions related to drugs, weapons or a violent crimes.

This course will not provide the student with a Private Investigator license upon graduation. It will provide the student the skills to apply for an entry level position with a qualified employer.

A license is required to contract to perform investigations. A licensed investigator may employ unlicensed staff to perform investigations under the licensee's direct supervision. This is an option for persons who have completed this course.

At the end of this course, the student will have the basic skills necessary to apply for an entry level position as a staff investigator for a licensed private investigation firm or other employer or firm needing the skills taught in the course. Once the student becomes employed by a qualifying entity, they will be able to work the required 6,000 hours (3 years full time employment) to apply to take the test for licensure. The information provided in this class will provide the student with the ability and knowledge to prepare for and pass the test at the end of their required 6000 hours of documented employment in the field.

of private security. Students will learn via lecture, interaction, quiz, and written exams. Students will also benefit from our exclusive *shoot-no-shoot* simulator as well as shoot their firearm in the gun range with live rounds, and use the baton, handcuffs, pepper spray, and stun gun.

- ❖ Report Writing 10 hours

Report writing is the single most important of the basic skills. In most cases it will be the only product the client receives for the money paid to the investigator. It must be clear and concise, containing all the facts developed in the investigation. It must be written in such a way that the average person will understand sometimes complex and legalistic issues. In this block of instruction the student will learn different forms of reports as well as different report writing styles. Emphasis will be given to grammar, spelling and sentence structure as well as proper use of punctuation and paragraph formulation.
- ❖ Photography / Videography 4 hours

Much of the evidence observed will be documented in photographs and video recordings. This block will focus on the legal issues associated with securing and presenting photo and video evidence. We will touch on specific photography and videography technique and the challenges that present when working under realistic private investigation conditions and limitations.
- ❖ Process Serving 4 hours

In this block of instruction we will cover the process to become a Registered Process Server as well as the basic laws governing the majority of documents that are served by Registered Process servers and Private Investigators
- ❖ Statements 5 hours

One of the most important and most frequently requested forms of reports are statements. Statements can be recorded or written or both. They come in several forms including Affidavit, Declaration, Sworn, Unsworn, Audio Recorded and Video Recorded. We will cover the basics of each kind and the techniques used to secure them in person or over the telephone.
- ❖ Interview Techniques 5 hours

We will explore different methods of conducting interviews with emphasis on selecting and preparing the interview site, telephone interviews, motivating the

SECURITY & FIREARMS TRAINING ACADEMY

witness to talk to you and the importance of accurate documentation of what the interviewee actually witnessed without implanting any information from any other source during the interview.

- ❖ **Business administration** 5 hours
Private investigation is generally a, “billable hours” business. We will address the issues of the contract for services, proper record keeping, documentation to support charges, travel charges and rates for services. We will also address various business models used by different types of private investigation firms and the legal basics of our business.
- ❖ **Surveillance** 5 hours
A key skill for the private investigator is the ability to conduct a successful surveillance. We will address static surveillance (stake-out), walking surveillance and moving vehicle surveillance. We will explore techniques to avoid detection, legal issues and what to do when your target sees you.
- ❖ **Communication skills** 5 hours
We will consider the elements of effective communication in verbal and written form. The students will learn about how regional use of the language can change meaning. We will address methods to deal with persons who speak English as a second language and how to verify understanding when speaking with them. Common errors in communication will be explored and we will discuss strategies for avoiding them
- ❖ **Public Records research** 5 hours
Publicly available records provide much of the basic information in most private investigations and although these are records any member of the public are allowed to access, they are spread over a wide range of agencies and locations. We will discuss where the most commonly required records are kept and how to obtain them. The student will become acquainted with various relevant laws such as the Public Records Act, the California Fair Credit Reporting Act, the California Fair Debt Collections Practices Act, the Graham-Leach-Bliley Act and others.
- ❖ **Undercover operations** 5 hours
We will explore the legalities and usage of undercover operations, how to prepare and execute an undercover investigation and how to plan undercover as a part of a larger investigation.

SECURITY & FIREARMS TRAINING ACADEMY

- ❖ **Diagrams** 5 hours

This module will cover the generation of various types of diagrams from simple accident scene diagrams to more complex crime scene diagrams. We will explore how diagrams are used in court and how to include them in reports. The relationship between hand drawn diagrams and photographs will be covered as well as transforming a rough drawing at the scene is translated into a graphic suitable for use in court.
- ❖ **Investigative organizational skills** 5 hours

An investigation starts as a collection of individual pieces of information. Organizing, documenting, cataloging and formatting that information is crucial to the end product report and possible testimony. We will cover how information flows into a case file and how it should be collected and preserved. From setting up the file to pulling it all together in a report, will be discussed and demonstrated.
- ❖ **Courtroom testimony and demeanor** 5 hours

Testimony of a witness is evidence in court. It is the province of the trier of fact, either the judge or the jury, to evaluate that evidence and determine its value and relevance. The very best investigation will fall short if the investigator is called to testify and the trier of fact either can't understand them or have doubts as to the honesty of the investigator. Simple nervousness sometimes appears as dishonesty or avoidance when answering questions. In this block we will cover how to dress, how to act and how to present testimony and physical evidence and diagrams. Becoming familiar with the layout of a typical courtroom, who the players are and what one can expect will help the students prepare for an eventual successful day in court.
- ❖ **Computer skills (Internet, on line services, etc.)** 2 hours

This will be a very basic introduction to the necessary skills to survive in the technological world as a private investigator. The students will be given some idea how use of the internet can assist or damage a case and what advantages computers and software give us.
- ❖ **Marketing** 5 hours

SECURITY & FIREARMS TRAINING ACADEMY

The students will be introduced to the most common means of seeking clientele for a private investigation business. We will cover various methods of advertising, direct contact and referrals.

- ❖ **Laws, rules and regulations in general** **5 hours**
We will cover the most basic laws relating to the investigation business including those found in the Penal Code, the Evidence Code, the Code of Civil Procedures, the Business and Professions Code and others. The students will receive copies of the most commonly used sections for future reference.

SECURITY & FIREARMS TRAINING ACADEMY

Guard Card **Course Fees = \$350**

Description of Educational Program

This 40 hour course complies with the requirements for training of security officers in California. Students will learn via lecture, interaction, quiz, and written exams. Students will also benefit from the use and proper instruction of handcuffs, pepper spray, and stun gun.

The student will be able to articulate the basic laws of arrest and the proper application of restraint devices. The student will be aware of the liability of the use of these devices on both the guard and his/her employer.

Upon successful completion of course the student will be given a certification of completion as well as a wallet (court) card to prove training.

Requirements for Course Completion

Due to the short length of the course, combined with BSIS regulations, 100% attendance is required to complete the course. Should a student miss a portion of the instruction for any reason, SAFTA will make best efforts to remediate that student in a timely manner; otherwise the student may attend subsequent courses to make up the work. SAFTA does not require any internships or externships; however there is a strict policy on exam scores:

- ❖ Guard Card Level 1 Exam – 45 Questions – Must achieve 100% to pass.
 - Remediation is provided and missed questions will be asked again.
- ❖ Pepper Spray / Tear Gas Exam – 25 questions – Must achieve 80% to pass.
- ❖ Stun Gun / Taser Exam – 31 questions – Must achieve 80% to pass.
- ❖ Handcuffing Exam – 30 questions – Must achieve 80% to pass.
- ❖ Guard Card Level 3 Exam – 65 questions – Must achieve 85% to pass.

Requirements for Licensure

To receive a Guard Card, applicant must be at least 18 years old and have no felonies, 5150s (Involuntary psychiatric hold), or convictions related to drugs, weapons or a violent crimes.

Handcuffing Course Fees = \$45

Description of Educational Program

This four hour course will provide the student with the familiarization and use of various restraint devices including handcuffs.

The student will be able to articulate the basic laws of arrest and the proper application of restraint devices. The student will be aware of the liability of the use of these devices on both the guard and his/her employer.

The student will be able to perform several handcuffing techniques and the proper method of searching prisoners for weapons and means of escape.

Upon successful completion of course the student will be given a certification of completion as well as a wallet (court) card to prove training.

Requirements for Course Completion

The instructor must approve the student's practical application of the competencies learned during the course of instruction. To receive the certificate, the student must also successfully complete a 30 question handcuffing exam by scoring 80% or better.

Requirements for Licensure

To receive a certificate, applicants need not possess any prerequisites. There is no limitation on age and there are no disqualifying factors. The certification will only add value to students who are planning to possess a guard card, or who already possess a guard card. It is not required to have a guard card to complete this training, as this course can also be utilized by persons simply seeking proficiency in the use of less lethal devices.

Equipment to be used during the Educational Program

**Tear Gas, Pepper Spray, Stun Gun, and Basic Taser
Course Fees = \$45**

Description of Educational Program

This three-hour course complies with the Department of Justice State of California requirements for licensed security officers to legally possess less than lethal devices while on duty.

The Taser section of this course is not meant to replace the advanced Taser course but is meant to inform the student of the liability concerns of the Taser device. If the student intends to carry the Taser on duty, we would recommend the officer obtains permission from his/her employer to take an advanced Taser course.

Upon completion of this course the student will be given a completion certificate as well as a wallet card to confirm the completion of the less lethal devices course.

Requirements for Course Completion

To receive the certificate, the student must successfully complete a 25 question Pepper Spray / Tear Gas examination by scoring 80% or better, as well as a 31 question Stun Gun / Taser examination by scoring 80% or better.

Requirements for Licensure

To receive a certificate, applicants need not possess any prerequisites. There is no limitation on age and there are no disqualifying factors. Baton

Course Fees = \$80

Description of Educational Program

This eight hour course will provide the student with the familiarization and use of the baton. Training will be with the four styles of baton.

- ❖ Straight (non expandable)
- ❖ Straight (expandable)
- ❖ Side-Handle (non expandable)
- ❖ Side-Handle (expandable)

This course covers the defensive tactics, jabs, and strikes to be used when carrying a less than lethal force alternative such as a baton. The course combines lecture, discussion, demonstration, and practical application of techniques.

Upon successful completion of course, the student will be given a certification of completion. Students may not possess or carry a baton until they have a valid Guard and Baton Card issued by B.S.I.S. in their possession.

Requirements for Course Completion

The instructor must approve the student's practical application of the competencies learned during the course of instruction. To receive the certificate, the student must also successfully complete a 25 question baton exam by scoring 80% or better. After successfully completing the course and passing the examination, applicants must pay an additional \$50 to the BSIS for their license.

Security Officer Firearm Permit Course Fees = \$180

Description of Educational Program

This 16 hour course is approved by the California State Bureau of Security and Investigative Services. It is designed to give the security officer an awareness of the legal and moral aspects of the use of firearms while carrying a handgun as a licensed security officer. This course includes classroom instruction, shoot-no-shoot scenarios, as well as practical application on the shooting range. This course not only covers target shooting, but we also include tactical combat and instinct shooting.

The course fee includes range fees as well as targets, eye protection, and ear protection. The price is good for the use of one hand gun of the student's choice (caliber). Students will also receive the Firearms permit application and live scan forms upon enrollment.

Students will be responsible for completing a Live Scan at an additional cost which varies based on location the Live Scan is completed. The majority of these fees are

SECURITY & FIREARMS TRAINING ACADEMY

State mandated and the remainder will be paid to the establishment conducting the Live Scan. Students will also be responsible for the initial application fee of \$80 to be paid to the California State Bureau of Security and Investigative Services.

Requirements for Course Completion

To receive the certificate, the student must successfully complete a 76 question Exposed Firearms examination by scoring 80% or better, as well as score a minimum of 200 out of 250 on the firing range for the practical application portion of their training.

Requirements for Licensure

Applicants seeking to attain an exposed carry firearms permit must possess a valid guard card.

State law mandates that individuals taking this specific firearms course must be free of felony convictions and violent misdemeanors, as well as narcotics crimes and weapons charges. The applicant should discuss any convictions with a SAFTA instructor prior to enrolling in any weapons courses.

The state requires that a student taking this course at SAFTA or any other firearms training facility must present the school with documentation to provide proof of United States citizenship and/or legal residency. This includes one of the following:

- ❖ Birth certificate
- ❖ U.S. Passport
- ❖ INS alien resident status
- ❖ Military DD214 (discharge honorable)
- ❖ Military I.D.

Equipment to be used during the Educational Program

Concealed Weapon Permit

Course Fees = \$120 to \$180 depending on your County or residence

Please call SAFTA with any questions regarding the cost as it relates to your County of Residence.

Description of Educational Program

This course is approved by law enforcement agencies throughout Northern California. This course not only covers target shooting, but we also include tactical combat and instinct shooting. At either 8 hours, or 16 hours, depending on the issuing County's requirements, our Concealed Carry Weapons course focuses on the following:

- ❖ Legal aspects in the possession of firearms
- ❖ Rules and regulations regarding California firearms laws
- ❖ Shoot/No-Shoot decision making
- ❖ Care and handling of firearms
- ❖ Transportation and carrying of firearms
- ❖ Home defense laws and regulations
- ❖ Alternative devices other than lethal
- ❖ Escalation of force

Concealed weapons students must have their own handgun. Agencies require that the gun listed on the license is the gun fired on the range. For all of our CCW courses, the first firearm is included and each additional firearm is \$10.00 (up to three maximum).

SECURITY & FIREARMS TRAINING ACADEMY

Requirements for Course Completion

To receive the certificate, the student must successfully complete a 54 question Concealed Weapons examination by scoring 80% or better, as well as score a minimum of 200 out of 250 on the firing range for the practical application portion of their training.

Requirements for Licensure

To receive a permit, applicants need not possess any prerequisites. Students must be a minimum of 21 years old

The certification will not allow the student to conceal a firearm, but instead serves as the first step in attaining the license to do so. Upon completion of this course, graduates must still schedule an interview with the county that they reside in and successfully complete an interview and background check, at additional costs that differ depending upon county regulations.

State law mandates that individuals taking this specific firearms course must be free of felony convictions and violent misdemeanors, as well as narcotics crimes and weapons charges. The applicant should discuss any convictions with a SAFTA instructor prior to enrolling in any weapons courses.

PLACEMENT SERVICES

SAFTA does not guarantee placement for any students that complete training at our academy. Private security is in very high demand right now and virtually all students that receive adequate training will be able to find employment immediately following graduation. Graduates of SAFTA will be able to obtain licensing by the State of California for employment in the Private Security industry (U.S Dept of Labor classification code 33-9032).

Having said that, SAFTA's staff takes job placement very seriously and it is extremely important to us that our students are employed in the industry of their choosing. We regularly communicate with many employers in the private security industry and maintain a list of all active job openings. We also call the employers on behalf of our graduates and regularly hold job fairs upon completion which have also been very successful.

STUDENT GRIEVANCE POLICY

An administrator will be accessible throughout the student's training. Students may meet with the School Administrator before beginning class to discuss any question or problem areas, which might arise. Student will be given the Course and Instructor Evaluation Form. Students will be told that any complaints should be submitted in writing to the School Administrator to 3355 Myrtle Ave #200, North Highlands, CA 95660

Security & Firearms Training Academy's complaint procedures are as follows:

1. All complaints will be investigated thoroughly, including interviewing all people and reviewing all documents that relate or may potentially relate to the complaint.
2. Record a summary of the complaint, its disposition, and the reasons; place a copy of the summary, along with any other related documents, in the students file, and make an appropriate entry in the log of student complaints.
3. If the complaint is valid, determine what other students may have been affected by the same or similar circumstances and provide an appropriate remedy to those students.

SECURITY & FIREARMS TRAINING ACADEMY

4. Implement reasonable policies or procedures to avoid similar complaints in the future.
5. Communicate directly to any person in control regarding complaints, their investigation and resolution or lack of resolution.
 - a. A student may lodge a complaint by communication orally or in writing to any teacher, administrator, admissions personnel, or counselor. The recipient of the complaint shall transmit it as soon as possible to the School Administrator to resolve complaints.
 - b. If a student orally delivers the complaint and the complaint is not resolved either within a reasonable period or before the student complains about the same matter, the institution shall advise the student that a complaint must be submitted in writing and shall provide the student with a written summary of the institution's complaint procedure.
 - c. If a student complains in writing, SAFTA shall, within 10 days of receiving the complaint, provide the student with a written response, including a summary of SAFTA's investigation and disposition of it. If the complaint or relief requested by the student is rejected, the reasons for rejection.
 - d. The student's participation in the complaint procedure and the disposition of a student's complaint shall not limit or waive any of the student's rights or remedies. Any document signed by the student that supports to limit or waive the student's rights and remedies is voided.

STUDENT RIGHTS POLICY

Security & Firearms Training Academy does not discriminate on the basis of Race, Color, Religion, Gender, Age, Sexual Preference, Handicap, Financial Status, and Area of Origin or Residence in Admissions or Instructional Policies.

SECURITY & FIREARMS TRAINING ACADEMY

MAINTANANCE OF STUDENT RECORDS

Security & Firearms Training Academy will retain all student records for a period of five (5) years and transcripts are kept permanently at SAFTA's primary administrative office located at 3355 Myrtle Ave #200, North Highlands, California 95660. Duplicate records will be maintained off-site.

If in the event that SAFTA should close, all records shall be maintained for a period of five (5) years at a specified location, and shall be available for inspection and copying during normal business hours and may be charged reasonable costs actually incurred by SAFTA for the use of SAFTA's equipment and material to make copies of the Evidence Code.

ENGLISH AS A SECOND LANGUAGE

Security & Firearms Training Academy does not offer English as a secondary language, but will accommodate students with limited English skills and test orally.

SAFTA will admit students from all over the world, however SAFTA does not provide visa services, however we will vouch for student status.

STATEMENT OF COMMITMENT

Security & Firearms Training Academy is dedicated to training Security Officers, Executive Protection Agents, and Private Investigators to be highly capable of protecting the employers against civil litigation.

CODE OF CONDUCT

This Academy expects all students to conduct themselves in a manner that is reasonable and reflects the expected respect towards fellow students, faculty members and any other person and equipment on or about the premises of the academy. Please refer to the catalog for further information.

FINANCIAL AID POLICIES, PRACTICES, AND DISCLOSURES

SAFTA has never received, nor participates, in any financial aid from any state or federal financial aid program. If a student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund, and that, if the student has received federal

SECURITY & FIREARMS TRAINING ACADEMY

student financial aid funds, the student is entitled to a refund of the monies not paid from federal student financial aid program funds.

SAFTA does not provide any financial aid to any students, be it in-house or through installment loans.

Student records will be maintained and held confidential by the Custodian of Records, who is also responsible for providing copies of student records as required. The current Custodian of Records is Jessie Meeker. Jessie can be reached at SAFTA's main phone line and business address: (916) 500-1442, 3355 Myrtle Ave #200, North Highlands, CA 95660. The transcripts of student records shall be maintained permanently, in the State of California, and if SAFTA were to close, arrangements would be made for maintenance of the records.

Each student has a personal file kept inside of a mobile, metal, locked, file cabinet. This file cabinet is locked inside of the gun safe at the end of each day. All exams are kept on site and inside of this file cabinet as well. The files are locked up at the end of each day by Jessie Meeker. SAFTA does maintain digital files on our students as well; that information is only located on the on-site computer with two passwords required to access the student's information.

SAFTA does not maintain any financial information on our students, and therefore, academic records are kept separate in their own individual files.

PENDING PETITION IN BANKRUPTCY

Security & Firearms Training Academy does not have a pending petition in bankruptcy, is not operating as a debtor in possession, has not filed a petition within the preceding five years, and has not had a petition in bankruptcy filed against it that resulted in reorganization under Chapter 11 of the United States Bankruptcy Code (11 U.S.C. Sec. 1101 et seq.).

LIBRARIES AND OTHER LEARNING RESOURCES

SAFTA does not maintain a library on-site. Every learning resource needed to complete these courses is provided to the students by SAFTA. Many of the documents are pulled direct from the Bureau of Security and Investigative Services website, while others are proprietary and have been created by Dr. Steve Caballero and Patrick Alexander.

CREDITS EARNED AT OTHER INSTITUTIONS

SAFTA has not entered into an articulation or transfer agreement with any other College or university.

POLICY AND PROCEDURE FOR THE AWARD OF CREDIT FOR PRIOR EXPERIENTIAL LEARNING

The State of California Bureau of Security and Investigative Services does not allow SAFTA to provide any credit for prior experiential learning. The courses taught by SAFTA are regulated by the State, and regardless of the level of training that a student possesses prior to admittance in our program, if that student does not possess a valid Guard Card, that student is required to complete the entire course.

CATALOG POLICY

SAFTA will update this catalog, and make it available to students, on the 1st of January each year. This catalog will service the entire calendar year of 2019.

SAFTA will print up to one catalog per year for each student, and will continue providing updated catalogs each year to any student that requests one. SAFTA will also make a digital copy available (via email) to any student or to anyone in the general public upon request.

SECURITY & FIREARMS TRAINING ACADEMY

This catalog can also be found online by visiting SAFTA's website at www.safta-inc.com and selecting the "BPPE" link at the bottom of the page, or by typing in <http://www.safta-inc.com/bppe.html>. Through that same link you will find SAFTA's performance fact sheets, student brochures, a link to the BPPE website, and SAFTA's most recent annual report.

ADMISSION OF STUDENTS FROM OTHER COUNTRIES

To the extent that SAFTA receives students from other countries, SAFTA will provide admittance, and will vouch for these students assuming there are no associated costs.

LANGUAGE REQUIREMENTS

All courses at SAFTA will be conducted in English. SAFTA does not require documentation of English courses as a pre-requisite to sign up for our training programs, however, the comprehension of the English language consistent with 4th semester proficiency is the recommended to enable the student to learn the required information and pass the tests.

All tests will be provided in English only.

If after the first complete day of instruction (or any time prior to that), it is determined by the student or the instructor that the student's understanding of the English language is not acceptable for this course of instruction, a full refund will be provided at that time.

ACCREDITATION

Neither SAFTA, nor the programs which are taught at the institution, are accredited by an accrediting agency recognized by the Department of Education.
